GNAS Archery Leader Course

This course is designed for Leaders to teach beginners to shoot and is a requirement for Scout leaders, youth workers and those working in activity/outdoor centres.

The instructor for the course is Richard Squibb, Richard has many years experience and his father David is the Regional coaching organiser for the Southern counties and Leader Scheme Manager at GNAS.

We have been running these courses for the last three years with 100% success rate!

Places are limited, a place can be reserved once a completed booking form together with the payment (details attached) are received.

Candidates for the award, must be a minimum of 17 years of age on the day of assessment and will be trained and assessed by accredited coaches. Previous experience of archery is not a pre-requisite.

Course Units

Unit A: General

Candidates will gain knowledge of:

1. all safety observances and rules
2. alternative range layouts with regard to public and participant safety
3. suitable rounds for beginners and juniors
4. various forms of archery
5. various incentives schemes

Unit B: Shooting

Candidates will learn how to hit the target consistently at up to 20 yards using basic Bare-Bow & Freestyle methods.

Unit C: Teaching and improving

Candidates will be able to:

1. teach basic Bare-Bow style
2. teach basic Freestyle
3. improve performance in both

Unit D: Equipment care, safety and use

Candidates shall learn how to:

1. advise on suitable equipment for activity groups and individuals
2. recommend sources of supply and be aware of costs
3. maintain equipment in good working order
4. understand the importance of equipment maintenance ref. safety and accident prevention
5. Formative assessment & feedback will be given throughout the course. However, ALL Units will also be examined by an external assessor on the last day of the course.
