The Process & Application

Bedfordshire county is looking for 4 awesome leaders to support the Bedfordshire contingent at the 25th World Scout Jamboree in Korea in 2023!

The Jamboree is the biggest international event in the Scouting calendar, where Scouts from all over the world meet, learn about new cultures, take part in loads of new activities and have fun. This comes with hard work and dedication from the leadership team, who will need to support our participants through fundraising, meetings and travelling half-way around the world for the best scouting moments of your lives!

Applications must be in by midnight 24th July and can be done online by following [this link](#).

- You must be over the age of 18 and be a Leader (in any role) within Bedfordshire.
- Applicants will be emailed for in-person interviews within the county on the 1st, 7th & 8th August.

For participants, they will need to wait a little longer until the leadership team is in place (it will be worth the wait!) Don't worry, we will be in touch soon by email, on [our website](#) & on social media [@BedsWSJ](#) for all the latest updates!

Person Specifications - All Leader roles

World Scout Jamborees are fantastic events and their impact on those that attend can be, in some circumstances, life-changing. Many young people and adults return from Jamborees exhausted but elated! The role of the Unit Leadership team is key in making sure that all the participants in the Unit have a positive experience of the Jamboree – from the moment they are selected right through until the end of the Jamboree experience (which may not be for many months after the Jamboree has actually ended).

Being a Unit Leader, Deputy Unit Leader or Assistant Unit Leader is challenging but is also extremely rewarding. The below points indicate some of the skills and experiences that would be beneficial for those applying for a Unit Leader, Deputy Unit Leader or Assistant Leader role. Not everyone will have all the skills, and remember many skills and experiences are transferable from other situations (e.g. family life, work, other voluntary commitments). There are also many skills and experiences that would be valuable but we have not got room to list every desirable characteristic here. Please use this document (along with the role description) to help focus your application.

Please note:

The Jamboree is physically, mentally and emotionally demanding. Applicants should be aware of the nature of what is expected and be confident that they are able to contribute to all aspects of the Jamboree experience

Applicants should be aware that the Jamboree experience may last up to three weeks subject to final confirmation on the makeup of the experience and therefore will need to be sure they have the support of employers and family to be able to commit to the event. Further, there will be a significant number of weekend and evening commitments in preparation and applicants should be confident they have time available amongst other commitments to fulfil the obligations of the role.
